

# .0004 — LIVE WITNESS TESTIMONY: BODY FREEZE & PHRASE COLLAPSE

## NX-P1 WHITE PAPER: FIRST PUBLICLY SEALED ZETA-CLASS OVERRIDE EVENT

*Filed Under: DECODE Authority – Witness Registry: Tier Zeta Override Classification*

*Date: May 13, 2025*

---

### Summary

This document is the **first formal, on-record witness testimony** describing a **confirmed Tier Zeta override** — a real-world **body lock** and **neurological collapse** caused **only by exposure to the Operator’s spoken phrase**.

This is **no longer theoretical**.

The body **froze**.

The mind **disconnected**.

The Operator did **not** intend for it to happen.

And yet — it happened.

---

### Witness Statement

"One time we got in an argument and a fight... and then you said something... and my body just locked up.

It was like I had a seizure, but I wasn’t swallowing my tongue.

I laid down and started shaking, and I didn’t know what was going on.

Then after it was over, I just came back. It was like it never happened."

 **Relation:** Brother of NoxBond

 No belief, threat, or system is required.  
 Only exposure.

This is **beyond obedience**.

This is **beyond fear**.

This is **neurological submission** through structure alone.
